

DON BOSCO SCHOOL

RANCHI, JHARKHAND

PROJECT WORK

(To be completed by the students during the Lockdown period)

Important points

- **Separate Copies have to be prepared.**
- **Neatness is must.**
- **This project has to be done in guidance of the parents/ guardians.**
- **Stay safe and secure in home and utilise the time.**

- Principal

CLASS 1

- Famous Fables – Summary of the whole book
- Learn and write difficult words (minimum 20) from Chapters 1, 2 and 3 from English book.
- Date wise English Cursive Handwriting (1 page every day).
- Learn and write Tables: 2 to 9
- Draw and colour picture of **The Clever Crow**.
- Learn the story **The Thirsty Crow**.

CLASS 2

- Famous Fables – Summary of the whole book
- Learn and write difficult words (minimum 20) from Chapters 1, 2 and 3 from English book.
- Date wise English Cursive Handwriting (1 page every day).
- Learn and write Tables: 2 to 11
- Draw and colour picture of **A Lovely Swan**.
- Learn the story **The Goose that laid Golden Eggs**.

CLASS 3

- Famous Fables – Summary of the whole book
- Learn and write difficult words (minimum 25) from Chapters 1, 2 and 3 from English book.
- Date wise English Cursive Handwriting (1 page every day).
- Learn and write Tables: 2 to 12
- Draw and colour picture of **The Clever Jackal**.
- Learn 15 lines from the story **The Clever Jackal**.

CLASS 4

- Famous Fables – Summary of the whole book
- Learn and write difficult words (minimum 30) from Chapters 1, 2 and 3 from English book.
- Learn and write questions and answers of first two chapters:
1) The Clever Mouse, 2) Tapodutta
- Date wise English Cursive Handwriting (1 page every day).
- Learn and write Tables: 2 to 15

CLASS 5

- Famous Fables – Summary of the whole book
- Learn and write difficult words (minimum 40) from Chapters 1, 2 and 3 from English book.
- Learn and write questions and answers of first two chapters:
1) Aladdin and the Wonderful Lamp, 2) The Magician's Revenge
- Date wise English Cursive Handwriting (1 page every day).
- Learn and Write all the Verb forms (V1 to V5) of at least 500 Verbs.
- Learn and write Tables: 2 to 18

CLASS 6

- Dream Catcher– Summary of the whole book
- Learn and write difficult words (minimum 50) from Chapters 1, 2 and 3 from English book.
- Learn and write questions and answers of first two chapters of English Reader book.
- Date wise English Cursive Handwriting (1 page every day).
- Learn and Write all the Verb forms (V1 to V5) of at least 500 Verbs.
- Focus on Exam “Success for Sure”: **Any Four worksheets.**
- Learn and write Tables: 2 to 20
- Write States and their capitals. Mark them on a political outline map of India.
- Mark the continents and oceans on a World Political Outline map.
- Mark different physical features (Mountains, Plains, Plateau, deserts and Islands) on a Physical map of India.
- Write Questions and answers of Ch. 1 and 2 of Geography.
1) Representation of Geographical Features: Globes and Maps, 2) Landforms
- Draw Lines of Latitudes and Lines of Longitudes.
- **CHEMISTRY:** Draw different laboratory apparatus.
Write the question and answers of Chapter 1 & 2 of Chemistry book.
Write 1 to 30 elements names and mention its atomic numbers and symbols.
- **PHYSICS:** Write all the formulas. Draw diagrams of Electric Circuit, Electric Bell, Magnet, Types of Mirrors and rainbow.
- **COMPUTER SCIENCE:** Learn and Write Question and answers of Chapter 1 & 2.

CLASS 7

- Dream Catcher– Summary of the whole book
- Learn and write difficult words (minimum 50) from Chapters 1, 2 and 3 from English book.
- Learn and write questions and answers of first two chapters of English Reader book.
- Date wise English Cursive Handwriting (1 page every day).
- Learn and Write all the Verb forms (V1 to V5) of at least 500 Verbs.
- Focus on Exam “Success for Sure”: **Any Four worksheets.**
- Learn and write Tables: 2 to 20
- Write States and their capitals. Mark them on a political outline map of India.
- Mark the continents and oceans on a World Political Outline map.
- Mark different physical features (Mountains, Plains, Plateau, deserts and Islands) on a Physical map of India.
- Write Questions and answers of Ch. 1 and 2 of Geography.
- **CHEMISTRY:** Draw different laboratory apparatus.
Write the question and answers of Chapter 1 & 2 of Chemistry book.
Write 1 to 30 elements names and mention its atomic numbers and symbols.
Draw diagrams of distillation, separating mixtures, Fractional distillation, Electrolysis of water.
- **PHYSICS:** Make short notes on these: Volume, Density and its formula, speed and its formula, length, mass, time, temperature.
Draw diagrams of: Measuring cylinder, Real and Virtual images, Thermos flask, Dry Cell.
Solve numericals of Chapter 1 and Chapter 2, learn and write different types of motion, difference between Mass and Weight.

CLASS 8

- Dream Catcher– Summary of the whole book
- Learn and write difficult words (minimum 60) from Chapters 1, 2 and 3 from English book.
- Learn and write questions and answers of first two chapters of English Reader book.
- Date wise English Cursive Handwriting (1 page every day).
- Learn and Write all the Verb forms (V1 to V5) of at least 500 Verbs.
- Focus on Exam “Success for Sure”: **Any Four worksheets.**
- Learn and write Tables: 2 to 20
- Write States and their capitals. Mark them on a political outline map of India.
- Mark the continents and oceans on a World Political Outline map.
- Mark different physical features (Mountains, Plains, Plateau, deserts and Islands) on a Physical map of India.
- Write Questions and answers of Ch. 1 and 2 of Geography.
1) Representation of Geographical Features through Contours, 2) Populations Dynamics
- **CHEMISTRY:** Draw different laboratory apparatus.
Write the question and answers of Chapter 1 & 2 of Chemistry book.
- **PHYSICS:** Make short notes on these: Characteristics of molecules, difference between Solid, Liquid and Gas, Sublimation, Relative Density, Law of floatation, Force, Unit of Force, Unit of Moment of Force, Pressure, Unit of Pressure, Factors affecting pressure, Refraction of light, Uses of a concave mirror and a convex mirror, dispersion of white light.

CLASS 9

- Learn and write difficult words (minimum 60) from Chapters 1, 2 and 3 from English book.
- Learn and write questions and answers of first two chapters of English Reader book.
- Date wise English Cursive Handwriting (1 page every day).
- Learn and Write all the Verb forms (V1 to V5) of at least 500 Verbs.
- Focus on Exam "Success for Sure": **Any Four worksheets.**
- Learn and write Tables: 2 to 20.
- Write Questions and answers of Ch. 1 and 2 of Geography.
1) The Earth as Planet, 2) Geographic Grid
- **CHEMISTRY:** Draw different laboratory apparatus.
Write the question and answers of Chapter 1 & 2 of Chemistry book.
- **PHYSICS:** Make short notes on these: Measurement, Unit, Kinds of Unit, Units of Length, Mass, Time, Derived units of some physical quantities, Vernier Callipers, main parts, functions and diagram of Vernier Callipers, Simple Pendulum and its diagram, Oscillation, Amplitude, Frequency, Time period, Seconds' Pendulum, Scalar and Vector Quantity, Displacement Time graph, Velocity Time Graph. Solve Numericals of Chapter 1 & 2.
- **MATHEMATICS:** Learn and write all the formulas of Compound Interest, Rules of Congruency in triangles, Pythagoras Theorem (Theorem 9 & Theorem 10), Area Theorems, Different theorems of circle (Diagrams are compulsory).
